19 February 1953

MEMORANDUM FOR: Chief, WE

FROM: Special Contracting Officer

SUBJECT: Termination of Contract with Reuben C.

[REDACTED]

25X1

1. With respect to your request for a determination as to the effective termination date of subject's contract with CIA, you are advised that inasmuch as the agent resigned from his cover position on 30 June 1952, and actually left the country of his assignment on 11 July 1952, subject breached his agreement with CIA as of 30 June 1952.

2. The facts presented relating to subsequent meetings between the subject and representatives of CIA clearly indicate that subject understood that there was no contractual relationship between him and the Agency after 30 June 1952.

3. It, therefore, appears that payment to the subject of \$3750.00, purportedly for services from July to December 1952, was an administrative error and that these funds should be recovered from the subject.
